

World Risk Poll 2021: A Digital World

Perceptions of risk from AI and misuse of personal data

Have you used the internet, including social media, in the past 30 days on any device?

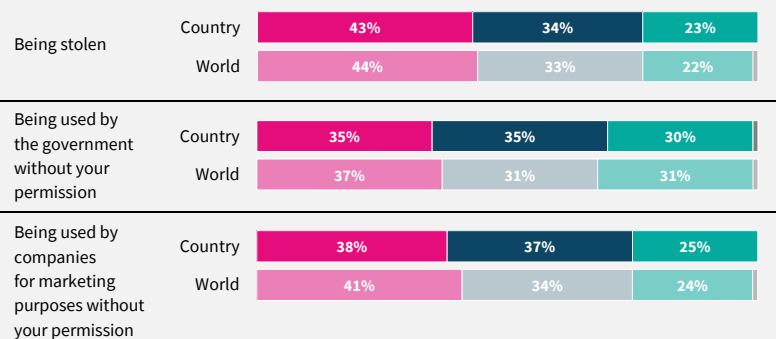

● Yes ● No ● Don't know/refused

Note: Fewer than 100 people answered this question for some quintiles. Estimates based off such small sample sizes will have a large margin of error.

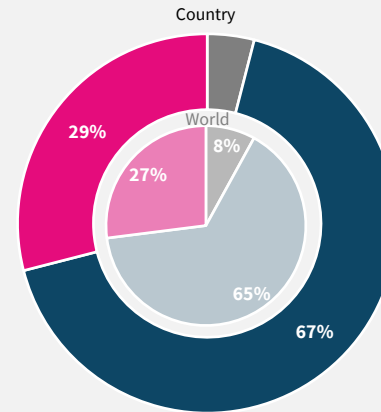

When you use the internet or social media, how worried are you that the following things could happen to your personal information?

● Very worried ● Somewhat worried ● Not worried ● Don't know/refused

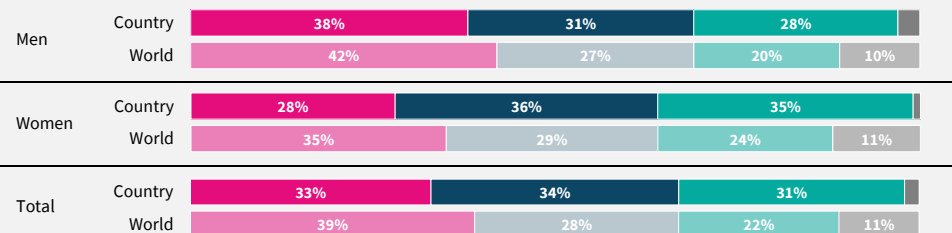

Would you feel safe being driven in a car without a human driver?

● Yes, would feel safe ● No, would not feel safe ● Don't know/refused

Do you think artificial intelligence will mostly help or mostly harm people in this country in the next 20 years?

● Mostly help ● Mostly harm ● Don't have an opinion ● Neither/don't know/refused

If data are not shown, it is because the item was not asked in this country. Due to rounding, sums may add to +/-1 from 100%. Numerical values under 5% are not labelled.

Argentina

REGION
Latin America & Caribbean
